

Visual Monitoring

Visually confirm field assets are operating properly, while strengthening site security and faster response time. Gain ability to monitor site activity, safety compliance, and environmental assessments without requiring field personnel on site.

Visualize your assets in the field for up to a 50% increase team productivity, topped off with the added gains of security, safety and operational confidence.

Manage by Exception

- Increase response time to site dangers with alarms
- Asset images provide actionable information

Increase Team Safety

- Reduce site visits by 50% saving time, money and resources
- Ensure work alone compliance, site security and incident reporting

Asset Protection

- Respond quickly and effectively to production problems
- Increase site security and environmental incidents

Intelligent visual monitoring to remote assets in the field

Industrial grade, weatherproof enclosure ensures reliability backed by Zedi's Engineering and Field expertise to ensure quality of installation. Reduce field visits, manage by exception, and confirm field alarms quickly and easily, reducing operating costs.

Zedi is a leading technology and services company in the field of production operations.

Through technology backed by expert consultation and services, we help our customers realize their production potential. Our unique combination of award-winning software, automation, measurement, artificial lift and field services offer complete solutions for the challenges our customers encounter.

Simplify and scale your business process with Zedi's secure cloud infrastructure

- Create efficiencies and scalability
- Reduce operating cost
- Improve accuracy and timeliness
- Optimize Production

Zedi practically started the IIoT revolution with our vision, exploration and innovation

- Custom Engineered Solutions
- IIoT Expertise
- Control and Optimization
- Solution to deliver results
- 24/7 Customer Care

Safe and reliable field experts backed by technology

- Loaded with safety
- Backed by technology
- On and Off-shore Expertise
- Integrated Lab Data

Fast & accurate, on-site lab services backed by technology

- We do it all, everywhere & fast
- On-site abilities with 9 Labs
- Backed by technology
- Expert Project Management

Get the most from your reserves with well site intelligence

- Best in class Service
- Accelerated production
- Optimized performance
- Wellhead intelligence

Decades of safe and reliable field experience

- Expertly Trained
- Cost Flexibility
- Best in Class Ops
- Loaded with safety
