☛ Zedi is Now DeltaV™ SaaS SCADA

Enhanced Analytics and Streamlined Reporting

Two new updates are making DeltaV SaaS SCADA even better:

1) **Enhanced Analytics**

   a. We're enhancing our analytics screen performance (available on the analytics tab) to present you with faster load times, and more detailed reporting availability on a User basis. Only the Users you authorize will be able to utilize these screens.

   Impact: The analytics tab will now be accessible on a user basis. Only authorized personnel designated by you will have access.

ACTION REQUIRED: Our Customer Success Managers, and Support people can help you update your list of authorized access.

2) **Streamlined Reporting**

   a. Added reporting abilities will streamline the delivery of your analytics reports directly to you. These reports will be distributed via mailing lists, ensuring a single source of data and truth for your authorized report receivers.

Advantages of DeltaV SaaS SCADA report email distribution lists

- ✓ **Consolidation:** Receive all your reports in one concise email. No more clutter, no more searching through various messages.
- ✓ **Timely Delivery:** Automated system ensures that you receive your reports promptly; daily, weekly, or monthly.
- ✓ **Reduced Risk:** You are in control of who has authorized access to the reports at all times.
- ✓ **Flexibility:** You can easily manage multiple reports and have them delivered to the appropriate individuals.
- ✓ **Scale Reporting:** You can have as many mailing lists as necessary to deliver the pertinent reports to your authorized people.

ACTION REQUIRED to OPT IN (not mandatory): To start streamlining your reports, contact your Customer Success Manager to identify which reports are to be sent to your mailing lists. Simply create your mailing lists within your organization and we'll take care of the rest!

Frequently Asked Questions

Q: Will there be any disruption during the either of these upgrades?

No, our team is ensuring a seamless transition. Your analytics workflows won't be affected, nor will your current reporting structure.

Q: When can I expect the call from my Customer Success Manager at Emerson?

Expect a call in the coming weeks to help guide your efforts, or contact your Customer Success Manager, or Support directly.

Q: Will I still receive timely updates?

Absolutely! Our automated system ensures prompt delivery, whether it's daily, weekly, or monthly.

Q: Can I manage multiple reports for different teams?

Yes! You can create multiple mailing lists and have reports delivered to the right people.

Q: Is it possible to opt out of the mailing list for analytics report delivery?

Yes, users can opt out. However, you'll need to contact Emerson as needed to update the list of recipients for the report changes.

Q: Are there any cost implications?

Emerson will apply a small fee for emailed reports to new recipients; consider establishing a mailing list to prevent future costs.

Please contact us any questions, comments or feedback at DeltaV SaaS SCADA Support at 866 732 6967.
